NOTICE OF WITHDRAWAL OF DETERMINATION OF NONSIGNIFICANCE

Name of Proposal: POINT NO POINT BOAT LAUNCH

Description of Proposal: The site is approximately 3.47 acres and is currently used for recreation including RV parking, beach walking, and as an access point for recreational small craft boating (hand launch only). The site features several structures including seven small cabins that are no longer in use, one rental residence, a bathroom facility, and a large boat storage building. There is a steel-rail boat launch that, historically, was heavily used up through the 1990s but was closed in 2002 as it aged to the end of its functioning life. There are 19 RV hook-ups that provide electric, water and septic drainage areas that are typically used seasonally. The majority of the site has been cleared. The main driveway and other access to the cabins, RV parking, and beach access area are gravel with some sections of concrete near the house and boat storage building.
